

Welcome, to

C-PRAV's Indian & Global Newsletter

January 2024

Our monthly newsletter is a trusted resource dedicated to ensuring that you stay well-informed about critical compliance and regulatory updates. In each issue, our mission is to empower you with timely and essential insights into the ever-evolving regulatory landscapes, both within India and across the globe.

As a leading force in certifications, Compliance & Product Regulatory Approvals (C-PRAV) is your trusted partner for product compliance in India, Australia, New Zealand (RCM), and international standards like CE, FCC, IC, and more.

Your feedback is highly valued as we continuously strive to enhance the quality of our content. If you've been following us on LinkedIn, you may have already come across important updates. **In our monthly newsletter, we consolidate and present these updates, along with new ones, for your convenience.**

Announcements

Cyber Security

Pre-Compliance Testing for Cyber Security

Pre-compliance testing is available for manufacturers to verify where their product stands in terms of Network & Cyber Security for Indian mandatory Comsec (NCCS) regulations.

C-PRAV can guide you and manage the entire testing program at very nominal pricing.

This will hugely benefit manufacturers for their product readiness not just for Indian NCCS - MTCTE compliance but also the upcoming European RED Cyber 3.3d, 3.3e, 3.3f regulations (June 2025), UK's PSTI (28th April 2024) for Security standard EN303645.
