## Monthly Global Newsletter

January 2025 Edition

Welcome to the January 2025 Edition of C-PRAV's Monthly Newsletter!

As we step into the new year, the regulatory landscape continues to evolve with critical updates affecting global market access. This month's edition brings you key developments, including **new cybersecurity regulations in the EU and Australia, spectrum allocation changes in Argentina and the U.S., labeling requirements in Nicaragua, and significant certification updates in Canada, China, and Indonesia.** With the **European Cyber Resilience Act now in force, mandatory compliance with RSS-102 Issue 6 in Canada, and SDPPI's changes in Indonesia,** businesses must stay ahead of these shifts to ensure seamless market entry.

At C-PRAV, we are committed to keeping you informed and helping you navigate these changes with confidence. **Explore the latest global compliance updates below** and reach out to us if you need expert guidance on your certification journey.

**Choose Compliance. Choose Certifications.  
Choose C-PRAV with Confidence.**

## **Announcements**

### **🎉 Wishing You a Successful & Compliant 2025! 🎉**

As we kick off the new year, we want to take a moment to thank our clients, partners, and industry colleagues for your trust and collaboration throughout 2024. Your support drives us to continue delivering expert compliance solutions across global markets.

We look forward to another year of helping you navigate regulatory challenges, streamline certifications, and bring your products to market with confidence. Here's to a year of growth, success, and seamless compliance!

Happy New Year from all of us at C-PRAV! 🎊🌟

### **"From Components to Global Certification" Seminar- C-PRAV & Würth Electronics**

Seminar Completed! "From Components to Global Certification" 🎉

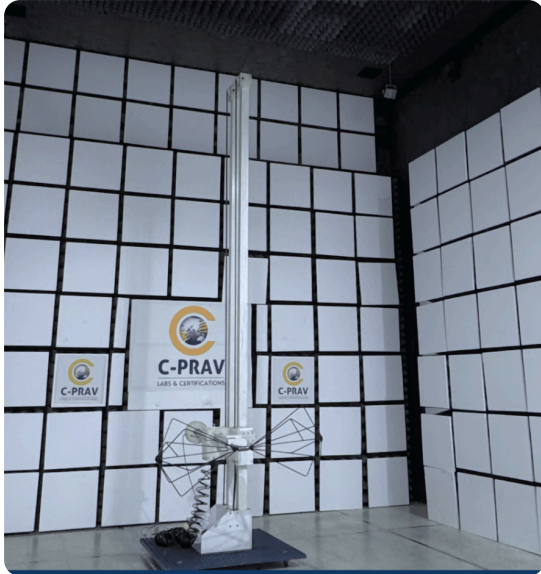

We had a fantastic time at our exclusive seminar in Bangalore with Würth Electronics, where industry experts shared valuable insights on EMI mitigation, IoT applications, and global compliance strategies.

- ◆ Engaging sessions on FCC, CE, UKCA, BIS, TEC, NCCS, and more
- ◆ Hands-on learning with real-world case studies
- ◆ Great networking with engineers, product developers, and compliance professionals

A big thank you to our speakers, attendees, and partners who made this event a success!

Missed this seminar? Stay tuned for future events and insights from C-PRAV!
