

Monthly Global Newsletter

April 2025 Edition

Welcome to the April 2025 edition of C-PRAV's Monthly Global Newsletter!

This month, the global regulatory landscape continues to evolve at a rapid pace, with significant updates across multiple regions. From **new cybersecurity labeling initiatives in Japan**, **spectrum licensing consultations in Australia and North Macedonia**, to **5G regulatory advancements in Peru** and **licensing changes in Vietnam**, staying informed has never been more important.

We also highlight critical developments such as **China's regulatory shift for wireless systems**, **Mexico's proposed mandatory IFT seal**, and **India's updated BIS requirements for CCTV equipment**.

As always, C-PRAV is here to keep you ahead of compliance changes — supporting your product certification, market access, and regulatory strategy globally. Dive into this month's key updates, announcements, and events below!
