

Compliance & Product Regulatory Approvals
A Global Test & Certification and Company

Monthly Global Newsletter

February 2025 Edition

Welcome to the February 2025 edition of C-PRAV's Monthly Global Newsletter!

As regulatory landscapes continue to evolve, staying informed is key to ensuring seamless market access for your products. This month's edition brings you critical updates from both India and around the world, including new security certification requirements, changes in wireless regulations, and the latest in global compliance standards.

At C-PRAV, we are committed to keeping you informed and helping you navigate these changes with confidence. **Explore the latest global compliance updates below** and reach out to us if you need expert guidance on your certification journey.

Choose Compliance. Choose Certifications.
Choose C-PRAV with Confidence.
