Monthly Global Newsletter

June 2025 Edition

Welcome to the June 2025 edition of C-PRAV's Monthly Global Newsletter!

This month, we're bringing you a packed update featuring key regulatory shifts across India, Indonesia, Mexico, Qatar, and beyond. From BIS amendments and TEC exemptions to 5G rollouts and spectrum strategy consultations, these changes shape how products are certified and launched across global markets.

Whether you're a manufacturer, importer, or product designer, staying ahead of these developments is critical—and C-PRAV is here to support every step of the way.

Don't forget to check out our announcements section for some exciting news, including our upcoming Roadshow Seminar and international recognitions.

As always, C-PRAV is here to keep you informed — and to help you navigate these changes with confidence.

Choose Compliance. Choose Certifications.
