

# Monthly Global Newsletter

**March 2025 Edition**

**Welcome to the March 2025 edition of C-PRAV's Monthly Global Newsletter!**

As the regulatory landscape continues to evolve, staying ahead of compliance updates is crucial for seamless market access. This month, we bring you key certification updates from around the world, including new spectrum regulations, security requirements, and 5G advancements.

From Australia's LIPD Class License update to Vietnam's new SAR regulation and India's latest ITSAR publications, these changes may impact your product approvals and market strategy.

At C-PRAV, we are committed to keeping you informed and helping you navigate these changes with confidence. **Explore the latest global compliance updates below** and reach out to us if you need expert guidance on your certification journey.

**Choose Compliance. Choose Certifications.**  
**Choose C-PRAV with Confidence.**
