

## Compliance & Product Regulatory Approvals

A Global Test & Certification Company

### Welcome to our Monthly Global Newsletter!

This November, we're sharing key regulatory updates from across the globe – spanning Australia, New Zealand, India, Brazil, Singapore and more. From Australia's consultation on Automatic Frequency Coordination (AFC), to India's transition to IS/IEC 62368-1:2023 to harmonise safety standards for electronic and IT equipment, authorities continue to refine technical and safety regulations in step with emerging technologies.

Whether you're a manufacturer, importer, or product designer, staying ahead of these developments is critical—and C-PRAV is here to support you every step of the way.

Be sure to explore our Announcements this month to access exclusive resources from the conclusion of C-PRAV's presentation at the 2025 TCB Council Workshop in Baltimore, USA.

Choose Compliance. Choose Certifications.

Choose C-PRAV with Confidence.

# C-PRAV's Wrap-Up of the TCB Council Workshop in Baltimore, USA 2025

As a long-standing TCB Council member since 2007, this October marked C-PRAV's 5th annual presentation at the TCBc Workshop – contributing to continued international discussions on standards, testing, and global certification processes.

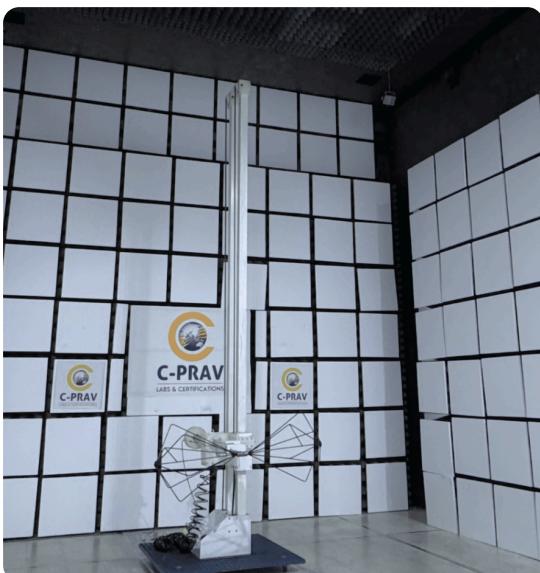

The TCB Council, Inc. continues to serve as a cornerstone for advancing U.S. and Global regulatory compliance, fostering collaboration among FCC, ISED, NIST, TCBs, Labs, and manufacturers. The topics are very informative on Radio/Wireless, RF Exposure, Cyber Security, EMC for Global Compliance.

View our 2025 presentations from CEO Praveen Rao and Approvals Manager Sachin Yadav below!
