

Compliance & Product Regulatory Approvals
A Global Test & Certification Company

Welcome to our Monthly Global Newsletter!

Happy 2026! This January, we're bringing you a roundup of key regulatory developments shaping product compliance across Australia, India, China, Thailand and more. From India's DoT releasing the much awaited WPC G.S.E.47(E), to Thailand's new electrical safety testing requirements for bluetooth devices, these changes continue to define the evolving global compliance landscape.

Whether you're a manufacturer, importer, or product designer, staying informed on these developments is key – and C-PRAV is here to guide you every step of the way.

Don't miss this month's exciting announcement, as we proudly unveil C-PRAV Group's newest location across the globe!
