Our Ref.: CMD2/16: IS 19348

15-10-2026

Subject: Guidelines for Grant of Licence through registration based on self-declaration of conformity, Change in scope and Operation of Licence for Glass Screen Protector — Specification as per IS 19348: 2025 under Scheme –II of Schedule- II of BIS (Conformity Assessment) Regulations, 2018 in view of Amendment to the “Electronics and Information Technology Goods (Requirement of Compulsory Registration) Order, 2021”.

1. This has reference to the above.
2. MeitY has notified the above amendment with addition of 66th entry in the Schedule of the “Electronics and Information Technology Goods (Requirement of Compulsory Registration) Order, 2021, as per which Glass Screen Protector for Smartphone shall conform to the Indian Standard IS 19348: 2025 and shall bear the Standard Mark under a licence from the Bureau of Indian Standards as per Scheme II of Schedule II of BIS (Conformity Assessment), Regulations 2018.
3. Manufacturers shall apply for grant of licence under Scheme II and obtain the same from BIS for use of the Standard Mark on the product “Glass Screen Protector” as per IS 19348: 2025. *{Detailed instructions regarding the registration process are available on the BIS website www.bis.gov.in}*
4. The following guidelines shall apply for grant of licence/registration, and change in scope of licence:

A. GRANT OF LICENCE/REGISTRATION

- i. Glass Screen Protectors as per IS 19348: 2025, to be used on Smartphones as defined under Clause 3.3 of IS 19348, with or without the use of a Privacy Film; may be made in nominal (declared) dimensions with the tolerances specified under Clause 4.1.1 as well as Table 1 of IS 19348.
- ii. Manufacturers shall identify and declare the Glass Screen Protectors for Smartphones as above that they wish to produce and cover in the scope of their licence.
- iii. **Series Guidelines:** All models of Glass Screen Protectors shall comply to IS 19348. MeitY may formulate series guidelines for the operation of the licences granted by BIS through registration, as applicable.

iv. **Sampling:**

- a) Sample quantity: 40 pieces for complete testing. For detailed sampling plan, Table 3 in Annex D of IS 19348 may be referred.
- b) Parameters to be declared in test request:
 - (i) Intended device
 - (ii) Dimensions (Length x Width x Thickness) in mm
 - (iii) Applicability of Privacy film: Yes / No.
 - (iv) Make and Model no.
 - (v) Drawing of the product, as applicable

v. The **scope** of the licence granted, shall be as follows:

1.	Product	Glass Screen Protector for Smartphones
2.	Make and Model	...
3.	Dimension	From Length x Width x Thickness (in mm) to up to and including Length x Width x Thickness (in mm) Along with the drawing number.
4.	Privacy Film	With / Without

B. CHANGE IN SCOPE

- i. For change in scope of licence, 4-A-iii of this guideline may be referred.
- ii. While submitting sample for testing to the lab, the relevant details regarding the samples shall be declared by the manufacturer (see 4-A-iv-b of this guideline).

C. OPERATION

i. **Packing and Marking:**

- a. As per Clause 5 of the IS 19348: 2025.
 - b. In addition to above,
 - i. BIS Standard Mark (CRS Mark) as given in the Licence document shall be marked on the Glass Screen Protector and on the Test Certificate (if, provided), provided always that the material so marked conforms to the requirements of the specification.
 - ii. Each piece of glass screen protector shall also be marked legibly using fog marking, with the following information:
 1. Make and Model Number as Product Identification Code.
 2. Indication of the source and year of manufacture.
5. These guidelines come into force with immediate effect.
6. All other provisions of Scheme-II and the applicable provisions of IS 19348:2025 shall remain unchanged.
